DRY STORAGE

Arlington Marina offers covered dry storage for vessels up to 28 feet in length. We also have wash racks, so you can clean your boat before or after your trip on the beautiful St. Johns River. Call-ahead service is available. Limited indoor trailer storage also available — call for details!

WET SLIPS & TRANSIENT SLIPS

Arlington Marina offers in-water storage for vessels up to 40 feet in length. The slips are concrete floating docks with shore power available at all slips. The marina also offers free wireless internet access throughout, including all wet slips. Transient slips are available daily, weekly, or monthly as well. Arlington Marina has a clubhouse with newly renovated bathrooms, showers, laundry, and sitting area with a 42" HD television.

FUELING

Non-ethanol marine gasoline and diesel fuel are sold at Arlington Marina. Two high-speed fueling stations at the marina make filling up quick and convenient. Check ArlingtonMarina.com for real-time fuel prices. Arlington Marina also sells oil for all types of marine engines, as well as filters and other necessities. Don't forget your ice!

HAUL-OUTS & BOTTOM JOBS

Arlington Marina offers a variety of hull services, such as barnacle scraping, pressure washing, and painting. Need all of the above? Arlington Marina offers complete bottom jobs, which include the haul out, pressure wash, barnacle scrape, sanding, two coats of bottom paint, and relaunch for one out-the-door price. We utilize a 30-ton travel lift for our hull services.
